APPLICATION OF RATES - GENERAL

Item 10 Rates covered in this tariff are for the pickup and disposal of sharps containers and biomedical waste including, but not limited to, scalpels, needles, syringes, lancets, and other instruments and containers related to the treating of domestic pets and farm animals.

HOLIDAY PICKUP

Item 15 For regularly scheduled service, when pickup is missed due to the carrier's observance of a holiday, carrier will provide service on an alternate day at no additional cost to the customer. A list of holidays observed by the carrier is listed in item 60. For application of rates in this tariff, carrier defines alternate day to mean the following: "The next available day for regularly scheduled pick up"

CHANGE IN PICKUP SCHEDULE

Item 16 When the carrier changes the pickup day for a service area, the customers affected will be notified by carrier, phone, or electronic mail of the change as far in advance as possible.

REFUNDS

Item 17 When there has been an error resulting in a refund of \$25.00 or less, an adjustment will be made to the customer's account on the next billing cycle. If the adjustment is greater than \$25.00, the customer shall have the option of an adjustment or a refund. If a refund is chosen, the amount shall be refunded no more than 30 days after the request is made.

INVOICING AND BILLING

Item 18 Customers are invoiced at the time of pickup, and billed monthly for service that month.

DEFINITIONS

Item 20 SHARPS CONTAINER: A suitable container for storing used small medical treatment devices such as syringes, needles, scalpels, lances, etc., the specific size to be defined in rate items.
RATE: The price charged for pickup of sharps containers, based on the size of the container.
SPECIAL PICKUP: A pickup requested by the customer at a time other than the regularly scheduled pickup and involves the special dispatch of a truck. If a special dispatch is required, time rates as shown in Item 240 will apply.
LAB WASTE: Any waste picked up from a research laboratory for cremation or recycled disposal.
RECYCLE CONTAINER: A bin or container specifically designed or designated for the collection of recyclable. See above for sharps container.

LIMITATIONS OF SERVICE

Item 30 Collector may refuse to pick up material from points where, because of the condition of the streets alleys or roads, it is impracticable or dangerous to persons or property to operate vehicles.

Collector may refuse to drive into private property when in the collector's judgement, driveways or roads are improperly constructed, or maintained or without adequate turn arounds or have other unsafe conditions.

Collector will not be required to enter private property to pickup material while an animal considered or feared to be vicious is loose. The customer will be required to confine the animal on pickup days.

Collector's schedule will meet reasonable requirements, or will comply with local ordinance.

Garbage pickup may be missed due to weather or road conditions. If pickup is made on the next pickup, no credit will be given.

Other than to offer reasonable care, the collector assumes no responsibility for articles left on or near containers.

Where carrier is requested to provide service, and damage occurs to a customers property due to reasons not in the control of the carrier, the carrier will assume no responsibility.

OVERTIME PERIODS

Item 60 If a customer requests pickup during overtime periods, additional charges may apply. Overtime periods include Sundays, and the following holidays:

New Years Day	Memorial Day
Independence Day	Labor Day
Thanksgiving Day	Christmas Day

Unless otherwise notified, the Friday before a Saturday holiday will be a regular work day. Unless it is observed nationally, the Monday following a Sunday Holiday will be a normal work day.

No additional charge shall be assessed to customers for overtime or holiday work done solely for the collectors convenience.

Minimum charge will be \$25.00 for pickup during overtime periods, plus regular pickup fees listed in Item 240
